

NEWBORN PHOTOGRAPHY BOOTCAMP

By Manali Kabra Parekh

" I'm a newborn photographer from Orissa. I recently attended the newborn photography workshop taken by Mint and Peach and trust me it was just what I needed! It covered almost everything I wanted to know and learn about newborns (wrapping techniques, lighting techniques, camera settings and even marketing). It's like answer to all your questions. I really enjoyed this interactive session with them I'm inspired and ready to level up!"

STUDENT TESTIMONIALS

I wanted to learn new born photography . I found Manali kabra mintandpeach in Instagram. Found her Instagram acc so interesting that i joined her workshop. She was so supportive and understanding that the way she taught us the techniques of wraps , how to deal with babies and parents it was so smooth. She guided me so well in taking one step forward towards my photography career. Overall it was an excellent learning experience for me and would highly recommend to folks interested in baby photography to attend her workshop.
